

THE CLUBS AT AKERSON TOWER

A new facility and very special hospitality opportunity for our donors and friends.

The new club sections at Navy-Marine Corps Memorial Stadium are designed to provide Navy Athletics' most ardent supporters a premium game day experience. Eligibility to purchase Club section season tickets will be prioritized for Fleet Club or higher level contributors to The Fund for Athletic Excellence. These are individuals providing \$5,000 or more in annual philanthropic support to the Academy's Physical Mission.

Proceeds as a direct result of revenue generated through the clubs are earmarked exclusively for the support of our 33 varsity sports. The purpose of the clubs is not only for the enjoyment of our guests, but also to encourage a greater degree of philanthropic interest by alumni and friends in contributing to advance our physical mission at large. As the NAAA annually addresses the expenses of fielding highly competitive Division I intercollegiate athletic teams for the Academy, enhanced philanthropic generosity becomes even more critically important. We are hopeful this special environment made available to our Naval Academy family and friends will be a catalyst for even greater enthusiasm to support the coaches and Midshipmen, and to help us successfully advance our mission.
