Encl: (1) 2014-2015 Midshipman Budget Book

1. Purpose. To promulgate the 2014-2015 Midshipman Stipend and Annual Budget Book.
2. Discussion. The Midshipman stipend is appropriated for Midshipmen to be outfitted and to financially fulfill military and academic responsibilities while at the Naval Academy. When properly budgeted, the Midshipman stipend will also provide for modest amounts of liberty and leave expenses. Midshipmen must understand that their stipend is, first and foremost, intended to cover expenses related to the official performance of their duties. In that sense, the annual budget promulgated herein covers the mandatory financial obligations imposed on all Midshipmen in order to successfully perform their duties.

a. Congress establishes the midshipman stipend at 35% of the base pay rate of an O-1 with fewer than two years of service. The stipend went from \$1,006.80 per month for calendar year 2013 to \$1,017.00 for calendar year 2014. In January, Midshipmen may see an increase in base stipend if there is an approved pay-raise across the military.

b. Midshipmen are not charged an entrance fee to attend the Naval Academy. Each Midshipman will receive a mandatory pay advance known as the Advance for Clothing and Equipment (ACE) loan to aid in the funding of issued uniforms and supplies. This loan is \$8,500 for the class of 2018. The ACE loan is an interest-free government loan that is automatically repaid through monthly deductions from their individual pay accounts. **Midshipmen will not be permitted to graduate indebted to any government or non-appropriated organization.**

c. Underclass Midshipmen will be paid a fixed amount each month while the remainder of their pay is set aside to pay for budgeted issue items. The set aside portion is known as "Held Pay". First Class Midshipmen will be paid net pay vice a fixed amount each month. Net pay will equal the full value of the stipend minus any deductions and allotments. The transition to net pay is intended to expose First Class Midshipmen to the pay structure they will experience as commissioned officers.

d. An estimate of all mandatory charges to Midshipmen accounts has been included in this budget. Midshipmen are authorized to spend

Subj: 2014-2015 MIDSHIPMEN STIPEND AND ANNUAL BUDGET BOOK

their Held Pay on essential items (text books, uniforms, etc.), and while this account is monitored by the Disbursing Office, Midshipmen can spend in excess of the "recommended" minimums (\$450 as a Third and \$1,000 as a Second Class). Midshipmen should consciously monitor these balances in order to maintain at least the recommended minimum.

e. In addition to standard monthly pay amounts, Midshipmen who accrue excess Held Pay will receive periodic supplemental payments. These payments will be made in August and December of the Third Class and Second Class years. These payments are referred to as "Semester Utility Pay". Midshipmen will also have an additional \$200 released on the 1 May payday for uniform replacement and other expenses associated with summer training.

3. Responsibilities: Each Midshipman is to review and understand the contents of this book. The proper handling and maintenance of your personal finances is an important part of your development as a midshipman and a junior officer. Most questions that will arise regarding accounts can be answered by referring to this book. For more in-depth questions, you can contact the Midshipmen Disbursing Officer, Lieutenant Nicholas D. Deschamps. Lieutenant Deschamps is located in the Midshipmen Disbursing Office, Bancroft Hall Room 4002, and can be reached at deschamp@usna.edu or 410-293-3307.

I. MIDSHIPMEN PAY

1. Advance for Clothing and Equipment (ACE) loan:

- a. The ACE loan is an interest free government loan established by Congress to provide funding for mandatory clothing and equipment costs incurred by midshipmen.
- b. The ACE loan is automatically credited to every midshipmen pay account as soon as the pay account is established – no action is required on the part of the midshipmen. Midshipmen will see the ACE loan credit as an “Advance Pay” in the entitlements column of their Leave and Earnings Statement (LES) in the month it is credited.
- c. Repayment of the ACE loan is budgeted by the Midshipmen Disbursing Officer as shown on pages 10-14. Midshipmen should monitor the monthly payments in the deductions column of their LESs, as well as the outstanding balance remaining in the narrative portion at the bottom of their LESs, to ensure repayments are on schedule.
- d. Midshipmen may apply outside funding that is intended to subsidize educational expenses to the repayment of their ACE loans and future uniform and textbook issues. The estimated average of a Midshipman’s gear issue and purchases, over the four years is approximately **\$17,500**. Authorized funds include personal checks, public and private scholarships, and college savings plans such as state 529 plans. All checks should be accompanied by letters stating the intended application of the funds and any limitations to their usage. **Any scholarship funds exceeding the costs of the ACE Loan and future issued items will be returned to the funds’ source.** Funds for the incoming class of 2018 should not be sent prior to the start of their first academic year. This allows for pay accounts to be built and eliminates the need to hold un-deposited checks.
- e. All outside funding intended to subsidize educational expenses should be made payable to the Midshipmen Disbursing Office and mailed to the following address:

United States Naval Academy
Midshipmen Disbursing Office
101 Buchanan Road, Room 4002
Annapolis, MD 21402
- f. Midshipmen must fully repay the ACE loan before graduating. If a midshipman is separated before graduating, all account remaining credits are applied to the outstanding ACE loan balance. Any remaining ACE loan balance is waived, regardless of the nature of the separation, in accordance with Department of Defense Financial Management Regulations. The separated Midshipman will, however, be responsible for paying taxes on the outstanding balance total. The balance will be figured into the individuals W-2 as taxable income during the next tax season.

2. Pay Day:

- a. Midshipmen are paid once a month, at the beginning of each month for the previous month’s work. For example, midshipmen will receive a paycheck on 1 September for the month of August. This pay is considered “August pay” even though the payment is received in the month of September.
- b. All payments are directly deposited into bank accounts via electronic fund transfer. It is essential that midshipmen establish savings and/or checking accounts and provide the account information to the Midshipmen Disbursing Office as early as possible, but no later than Induction Day, in order to ensure direct deposit can be established during Plebe Summer.

- c. Direct deposit sign-up paperwork is distributed in the Permit to Report package. The following form can also be used to submit or change direct deposit information:

[Standard Form 1199A DIRECT DEPOSIT SIGN-UP FORM, General](#)

- d. As shown on pages 11-14, standard monthly pay amounts are: \$100 for 4/C, \$200 for 3/C, and \$300 for 2/C. In addition to standard monthly pay amounts, midshipmen will have an additional \$200 released in their April pay which should be used to cover expenses associated with summer training. This extra pay is called "Training Pay".
- e. 1/C midshipmen receive net pay, which is the total value of entitlements minus deductions in a given month. Thus, the amount 1/C midshipmen receive will vary from month to month and from midshipman to midshipman. Training Pay and Semester Utility Pay do not apply to 1/C midshipmen.
- f. Leave and Earning Statements are available through the MyPay website for all Midshipmen. **It is the responsibility of the Midshipman to monitor their pay, identify pay issues as quickly as possible, and report findings to the Disbursing Office as quickly as possible.**

3. Held Pay and Semester Utility Pay :

- a. In order to ensure sufficient funds are available in midshipmen accounts to meet mandatory issue requirements, not all pay is released into monthly paychecks. The paychecks are budgeted as described in paragraph 2d. Any excess money that accumulates in pay accounts is held from one month to the next and allowed to accumulate in order to cover future issue requirements. Conversely, when deductions exceed entitlements for a given month, the extra cost is paid with this excess rolling balance instead of affecting monthly paychecks. This balance that is held in accounts from month to month is called "Held Pay."
- b. Minimum Held Pay balances are required in order to meet upcoming mandatory issue requirements. These minimum required balances for the current academic year are:
 - i. \$1,000 for 2/C Midshipmen (to pay for fall books, spring books, and spring uniforms)
 - ii. \$ 450 for 3/C Midshipmen (to pay for fall books and spring books)
- c. 3/C and 2/C midshipmen that accumulate Held Pay in excess of minimum required balances will have the excess periodically released into their paychecks. The release of held pay into monthly paychecks takes place in July and December in order to provide midshipmen with extra income at the beginning of each semester for uniform replacement or textbook costs. These payments are called "Semester Utility Pay." The maximum authorized amount of Semester Utility Pay is \$750 per occurrence, in addition to scheduled pay amounts. Semester Utility Pay amounts vary between midshipmen and can range from \$0.01 to \$750.00 depending on individual Held Pay balances at the time of release.
- d. On a case by case basis with the Disbursing Officer's approval, Held Pay may be released on an unscheduled basis in order to resolve a Midshipman's financial hardship. The maximum amount of Held Pay that can be released in a given month by the Disbursing Officer is \$750.00.
- e. At the end of 2/C year, Held Pay accounts are liquidated and remaining Held Pay balances are released into the July monthly pay for the rising 1/C.

4. Electronic Pay Records:

- a. Monthly pay statements, called Leave and Earnings Statements (LESs), are published electronically by the Defense Finance and Accounting Service (DFAS) on its MyPay Website, <https://mypay.dfas.mil/mypay.aspx>. Form W-2s, which summarize annual earnings and are necessary for filing taxes, are published there as well.
- b. Page 22 provides a skeleton LES and a detailed description of each block. Additionally, the Midshipmen Financial Advisor Website has a PowerPoint presentation that explains LESs block-by-block and line-by-line.
- c. Each LES is only available on MyPay for twelve months. It is highly recommended that all midshipmen save their monthly LESs and all receipts from the Naval Academy Business Services Division (NABSD) in order to reconcile monthly charges.
- d. In order to access LESs and W-2s, midshipmen must apply for MyPay access. **Obtaining MyPay access is mandatory and should be done no later than December of 4/C year. Failure to establish a MyPay account will result in an inability to access W-2s and thus an inability to properly file taxes.**
- e. Instructions for obtaining a MyPay account can be found on page 26.

5. Taxes:

- a. Midshipmen pay is subject to Federal Income Tax Withholding (FITW), Federal Insurance Contribution Act withholding (FICA), and in most cases, State Income Tax Withholding (SITW).
- b. Federal and State income tax is withheld based on the following defaults:
 - i. Marital status: Single
 - ii. Number of exemptions: 01
 - iii. State of legal residence: As declared in Permit to Report; if not declared, Maryland
- c. To change these default settings, midshipmen must submit the following paperwork to the Midshipmen Disbursing Office:
 - i. To change the number of exemptions for federal or state income tax withholding:

[Form W-4 EMPLOYEE'S WITHHOLDING ALLOWANCE CERTIFICATE](#)
 - ii. To change your state of legal residence:

[DD Form 2058 STATE OF LEGAL RESIDENCE CERTIFICATE](#)
- d. Each state has different rules associated with the payment of state taxes for military service members. Consult your state's tax publications to determine if you can be exempt from paying state taxes.
- e. A volunteer income tax assistance (VITA) office is available each year to assist midshipmen with their taxes. The hours and location of the VITA office change from year to year and are published via email at the beginning of tax season.

6. Servicemembers' Group Life Insurance (SGLI):

- a. SGLI is provided by the Veteran's Association to all service members at a monthly rate of 6.5 cents per \$1,000 of coverage.
- b. All servicemembers, including midshipmen, are given the maximum coverage of \$400,000 as default coverage. Midshipmen can elect to reduce their coverage in increments of \$50,000. To change SGLI coverage amounts, the following form must be submitted to the Midshipmen Personnel Office:

[SGLV Form 8286 SERVICEMEMBERS' GROUP LIFE INSURANCE ELECTION](#)

7. Naval Academy Business Services Division (NABSD) Accounts:

- a. NABSD is the retail arm of the Naval Academy that operates all retail services on the Yard, including the Midshipmen Store, Uniform Store, and Textbook Store. NABSD is also the organization that issues midshipmen uniforms and other gear listed on pages 15-21 - including the initial plebe issue on Induction Day. All issue items will be charged to a midshipman's individual NABSD account, and then paid through deductions posted to that midshipman's military pay account. NABSD charges appear as "UNIF, TEXT, STORE" on the midshipmen LES.
- b. In addition to these mandatory issue items, NABSD provides midshipmen with a no-interest credit card known as the "Midstore card" for use at the Midshipmen, Uniform, and Textbook Stores.
- c. Pre-approved uses of the Midstore card are as follows:

Class	Authorized uses	Credit limit
1/C	Unrestricted	\$500
2/C	Uniforms & Textbooks	\$250
3/C	Uniforms & Textbooks	\$250
4/C	All issue items	\$2,500

- d. To request the use of the Midstore card for items other than those authorized above, submit one of the following forms to the Midshipmen Disbursing Office (team requests are for coaches only):

[Standard Midshipmen Regulations Special Request Chit](#)

[Request for use of Midstore card, Team](#)

- e. NABSD account balances are charged to midshipmen pay accounts in full each month. Any Held Pay remaining in accounts after other deductions are paid is used to pay the NABSD account charge. If Held Pay exceeds the NABSD account balance, the balance will be paid in full. However, if the NABSD account balance exceeds the Held Pay balance, all available Held Pay will be paid toward the NABSD account balance and the remaining unpaid balance will carry forward to the following month for billing. This can result in debt being carried forward and billed in months during which no issues or Midstore card charges occur.
- f. Credit limits will only be overridden for mandatory issue items, including core textbooks. Midshipmen should budget their end-of-month pay to cover additional uniform or textbook requirements that may exceed credit limits.

- g. 1/C Midstore cards are not accepted after 15 March to prevent further debt accumulation. Midshipmen will not be permitted to graduate indebted to NABSD. Midshipmen are highly encouraged to use excess cash pay in order to reduce any accrued debt.

8. Charitable Allotments:

- a. Midshipmen are authorized to contribute to two charitable organizations through allotments from their pay: Combined Federal Campaign (CFC), and Navy Marine Corps Relief Society (NMCRS).
- b. Allotments are deducted from January through March for CFC and from April through June for NMCRS. The maximum donation via pay allotment varies for each class. This limit is due to budgeting constraints within the midshipmen budget and should not discourage midshipmen from contributing as much as they would like through other means (cash, check, etc.)
- c. Allotment values must be divisible by three as they will be split between three months. For example, a midshipman who donates \$12.00 to CFC will see a CFC allotment of \$4.00 on each of his/her January, February, and March LESSs.
- d. Midshipmen contributions are processed en masse by company. Individual contribution forms will not be accepted. Campaign coordinators should ensure uniformity of contribution sign-up sheets.
- e. 1/C Midshipmen are ineligible to contribute to NMCRS through midshipmen pay allotments. Instead, 1/C Midshipmen can contribute in the same manner as active duty servicemembers. NMCRS Campaign coordinators will provide details at the start of the annual campaign.

9. Travel Reimbursement:

- a. Midshipmen are reimbursed for travel performed under official orders. This includes travel to the Naval Academy when accessed, travel to/from summer cruises, and travel home upon separation.
- b. Reimbursement for accession travel is processed upon receipt of the completed permit to report. The permit to report is mailed to prospective midshipmen prior to their report date and should be completed, signed, and submitted on I-Day.
- c. Reimbursement for summer cruise travel is processed upon receipt of a completed travel claim during the summer. **Travel claims must be accompanied by original, stamped orders, copies of all receipts for expenses being claimed, and accurate bank routing / account numbers.**
- d. Reimbursement for separation travel is processed upon official separation from USNA. This process can take a significant amount of time after a midshipmen physically departs and therefore may delay travel claim processing. Travel claims must be accompanied by separation orders, copies of all receipts for expenses being claimed, and accurate bank routing / account numbers. Despite the potential delay in reimbursement, separation travel claims should be completed and mailed as soon as travel is complete.
- e. For all travel other than accession travel, the following form should be used to file a claim:
[DD 1351-2 TRAVEL VOUCHER OR SUBVOUCHER](#)

The NAAA operating budget supports 31 Varsity Athletic Sports, covering equipment, lodging, meals, transportation, entry fees, etc. NAAA is also responsible for maintaining all the athletic fields and venues used for Intramural, Club and Varsity events so that Midshipmen can fulfill their physical mission requirements. 1 There is normally an annual military-wide Base Pay increase each January. This budget anticipates a 1.0% increase in January 2015.

2 Any accumulated held pay from 2/C year will be released into July pay. From then on, no held pay will accumulate: all pay will roll into EOM Pay.

3 Comrats estimate based on typical summer, Thanksgiving, winter, and spring leave periods.

4 Textbook costs based on 2014-2014 1/C core book costs. Non-core books are **not** included in this budget and must be purchased separately.

5 1/C Midshipmen charity allotments will vary

HOW TO READ YOUR LEAVE AND EARNINGS STATEMENT

Your pay is your responsibility.

This is a guide to help you understand your Leave and Earnings Statement (LES.) The LES is a comprehensive statement of a member's leave and earnings showing your entitlements, deductions, leave information, and tax withholding information. Your most recent LES can be found 24 hours a day on **MyPay** at <https://mypay.dfas.mil/mypay.aspx>.

Verify, print, and file your LES each month. If your pay varies significantly, you don't understand a deduction, or you have any questions after reading these instructions, consult with the Disbursing Office in room 4002. You can also view the LES Training located on the Financial Officer Website.
