

When making purchases online to be shipped to your Mid, or for shipping packages from home, you must use the following addresses for your Mid to receive the package.

A specific problem is that packages have been mailed via the US Postal service addressed to the Express Office. However, the Express Office **is not** a delivery point for the US Postal Service. It **is** a delivery point for all Express and Packaging Services (i.e. DHK, UPS, Fed Ex, etc.).

If a package or any mail is sent via the **United States Postal Service**, it shall be addressed to your Mid's Post Office Box:

**Midn W. T. Door – Class of 20\_\_**  
**PO Box XYYYY**  
**Annapolis, MD 21412-YYYY**

If a package is sent via an **Express or Packaging Service** (i.e. DHL, UPS, Fed, Ex, etc.), it shall be addressed to the Express Office:

**Midn W. T. Door – Class of 20\_\_ mXXXXXX** (*insert alpha code here*)  
**XX Company** (*insert company # here*)  
**Bancroft Hall Express Office (410) 293-7704**
