LEADERSHIP

"If your actions inspire others to dream more, learn more, do more and become more, you are a leader."

- John Quincy Adams

CHARACTER

"The force of character is cumulative."

-Ralph Waldo Emerson

ACCOUNTABILITY

"On the sea there is a tradition older even than the traditions of the country itself and wiser in its age than this new custom. It is the tradition that with responsibility goes authority and with them both goes accountability... for men will not long trust leaders who feel themselves beyond accountability for what they do."

—Wall Street Journal editorial following collision of Wasp and Hobson (1952)
